

IBEW LOCAL 325 OCTOBER 2022

REGULAR MEETING: OCTOBER 17TH@ 5PM

Greetings Sisters and Brothers,

Welcome to fall, where has the summer gone? It seems as though life is getting faster and faster every day. I hope everyone had a good summer.

We have had some projects finish up and have members on book 1 in all classifications, CW/CE, Apprentices and JWs. I urge members to get involved and attend school board meetings, town hall meetings and other places like that where you can hear about projects in their planning stages. That way I can pass that information on to our signatory contractors so they can follow up and it may be able to turn in a successful bid. Some of these projects especially in the private sector fly under the radar and are bid to a General Contractor and our Contractors do not even get an opportunity to bid them. Feel free to shoot me a text 607-372-5178 if you see or hear something as you never know what might turn into a project that will be one we get. As always stay safe and look after one another.

Fraternally yours , Kelvin

The Polar Express will be pulling into the station on Friday, December 2nd, 5:00PM—7:00PM

If you call, 607-729-6171 or email Jessica at jessicad@ibew325.net by November 1st your child will be mailed a personalized invitation to ride the Polar Express! You don't need to sign up to attend by November 1st but if you want an invitation mailed to your child(ren) I will need their name(s) by Nov. 1st.

If anyone has an artificial tree, any size or shape, that you would be kind enough to let me use for this year's party, it would be greatly appreciated. I would like the trees dropped off by November 1st so I know how many I still need. If you can't get to the hall by November 1st, please call and let me know you have a tree and maybe I can pick it up. Please put your name on it so I can make sure you get the right tree back.

**Everyone is welcome to wear their pajamas to ride the Polar Express!!
All Aboard!!**
