NEWSLETTER

Congratulations to the 17 new Members of IBEW Local 325

I need to apologize for this newsletter being delayed, there were some important decisions that needed to be made for the Local and that you needed to be made aware of.

On June 28th Kelvin Herrala was removed from Office by International Vice President Mike Welsh. If you have any questions on this action please don't hesitate to call me directly on my cell, 624-6710.

At the Monthly Eboard Meeting on July 5th the Eboard filled the vacant position of President with Jim Szymaniak, which left a vacant Vice President position, which the Eboard filled with Kirk Bergman.

There remains an open position for Eboard, which will need to be filled at the August meeting, please submit a letter of interest to the Eboard before the meeting or you could email one to me at tspicer@ibew325.net and I will print and submit for you at the Eboard meeting August 7th 5pm.

Please remember, to be eligible for any office you need to be a member in continuous Good standing at least two (2) years in the L.U. immediately prior the August Eboard meeting.

Fraternally,
Tom

LOCAL #3 NEEDS YOUR SUPPORT.....

Please stand with our Brothers and Sisters of Local #3 as they are on strike against Charter/Spectrum, who no longer wants to contribute to the Union pension and medical plan for their employees. Pass the enclosed flyer along to a friend or family member so they can join in the fight against corporate greed.

LEGISLATIVE UPDATE! DEFINITION OF PUBLIC WORKS!

The Definition of Public Works Bill A.5498-A (Bronson) - S.2975-A (Murphy) PASSED in the Assembly today 91-26.

It is not expected to come to a vote in the Senate before they adjourn this session, however passing in the Assembly is a good first step in what we knew would be an uphill battle.

Please call Donna Lupardo and thank her for supporting local labor, 607-723-9047.

Please call Cliff Crouch, 607-648-6080 and Chris Friend, 607-562-3602 and ask them why they didn't vote for local labor, if each person will make a few phone calls, it will have a big impact.
