Change in time for Local meetings

Beginning January 2018 the regular Union
meeting will start at 5:00pm instead of
7:00pm until further notice.

Teladoc update: We have had a great initial response to the Teladoc rollout, an 11% utilization in the first 2 months and we are already seeing the savings for the Fund. It is easier if you get registered before hand; you

can download the app for easy access.

The response time for a call is averaging 10 minutes, less time than it takes to drive to the walk-in!

Best news yet, its FREE!
