

Happy Thanksgiving

IBEW LOCAL 325

NOVEMBER 2020

Greetings Brothers and Sisters,

I hope this newsletter finds you well and you & your families are staying safe. These are trying times, reach out for help if you feel the need or just check in with a brother or sister to see how they are doing, the result can be beneficial for both of you. It has been a long time with the social distancing, zoom meetings and quarantines. We have had an uptick in positive COVID-19 cases within the local. The Union hall is back on lockdown, but still conducting business and processing claims. There is no shortage of things to do here with the addition of keeping up with the latest laws and rules dealing with COVID. The Instructors and Apprentices are working well with Dixie trying to provide the best learning we can while trying to prevent the spread using online and in person training. I want to thank everyone for their cooperation and understanding through all of this. Depending on when you receive and read this newsletter the presidential election may or may not be over. If it isn't get out and Vote, If it's over I hope you VOTED, that is the most important thing is that you vote.

Fraternally yours, Kelvin

CHRISTMAS ADOPT A FAMILY PROGRAM

It's hard to believe the Holiday season is almost upon us, but here we are, it's already October !

Last year, through the generosity of the members of Local 325, we were able to adopt 11 families for Christmas.

We will be participating in the Adopt a family program again this year. If you know of a family or person in need, you can nominate them to be one of our recipients. Send your nominations directly to Katie, her contact information is below.

You will have the option to purchase gifts or make a donation, cash or check (made payable to Katie Huff).

Thank you in advance for your generosity!

Please contact Katie for more information:
