

IBEW LOCAL 325

MARCH 2020

Greetings Brothers and Sisters,

There are a lot of things happening in and around the union hall. I encourage and welcome members to become more involved in their Local Union and to be a part of and not apart from. We do have an opening on the JATC committee if anyone is interested contact the Union Hall.

February has been a busy month for me which included Level 1 New Trustee core training put on by the International Foundation of Employee Benefit Plans. It is a comprehensive program of the ins and outs of being a Trustee and Fund Administrator. There were five different topics that were covered by top professionals in their field which included: Governance, Health and Welfare plans, Investing Health & Welfare, Annuity and Pension plans as well as an overview of retirement plans. I have been meeting with our Bankers, Investors, Lawyers, Auditors, Public Accountants and Insurance Providers to not only build a relationship with them but to assure that our needs are being taken care of for a fair price.

I am Fraternally yours,
Kelvin
