

IBEW LOCAL 325

APRIL 2020

COVID -19 AND YOU

This is uncharted territory that we are trying to navigate through. As of Friday 3/27/2020 most of the jobs were shut down by the governor with executive order 202.6. So for many of you Furloughed, it will be your first time filing for unemployment. Contractors need to send a Furlough slip to the union hall in order for you to be recorded and return to the company that you were furloughed from. If this does not happen, the union hall has no way of knowing if a member is Furloughed or an approved essential worker, taking a vacation, (sitting home at the contractors request without a Furlough is not recommended). We will help members through this process the best we can. This is a moving target so call the union hall for information (607) 729-6171 from 8 - 4:30

Greetings Sisters & Brothers,

IBEW Local 325 is alive and well. The Saint Patrick's Day Parade was an excellent display of solidarity and brotherhood. Thank you to all who attended and volunteered their time to put it together. I received an abundance of phone calls about what a great event it was and everyone is looking forward to next year. Thanks to everyone who stopped by, the hot dogs & hamburgers were very popular. "Here come the Electricians" is what could be heard from the parade announcers stand. Be safe and look out for each other.

Fraternally,
Kelvin
