

IBEW LOCAL 325

JULY 2020

Greetings Sisters and Brothers,

I.B.E.W. Local Union 325 is alive and well! While there are many things that are uncertain through these times of face coverings and social distancing, one thing is for certain, Local 325 is here to stay. The doors to the hall have been locked but will be open Monday July 6th. During the time that they were locked things were still happening, insurance claims & pensions were being processed in the insurance office as well as keeping up with the funds. Benefit payments from the contractors still needed to be entered into the system and monthly bills paid.

We are still going through cancellations of our social events but I urge members to keep the union spirit alive & well, look out for each other and stay safe. Once we are through this, I assure you we will be back on track with the golf tournament, clam bake and other events that are canceled due to the social distancing.

We added a section to our web page www.ibew325.net to announce recent deaths as well as access to a list of deceased members. If you do not have a login or are having trouble, call the hall and we can help you get set up.

We finished up the apprenticeship classes with online training but we have a plan in place to resume classes this fall in our training center. As always, I encourage every member to become involved in the union in some form or another, come to a meeting, join a committee, run for office next time we have elections or just attend a social event. This is your union and your future.

Fraternally yours,

Kelvin

Due to COVID-19, the Entertainment Committee has decided to cancel the Clambake which was scheduled for August 1st.

WWW.IBEW325.NET

Please be sure you are checking the website to stay informed on cancellations or important updates. This is where you can find out if meetings will be held via web. Changes are happening quickly and the website is being kept current on cancellations or other information that is critical for you to know. Your login is your first and last name, all lower case, no spaces and then your card #, if it starts with letter, it too is lower case.

If you have trouble with your log in, call 607-797-1919.

Stay diligent, stay safe, wash your HANDS!

We all want to get through these uncertain times without contracting the Corona virus. To minimize the risk, we need to be vigilant with social distancing, hand washing and face coverings. As of writing this, members are returning to work from furlough, as well as the out of work list on book 1, and we will be into book 2 soon. This is going to be a very busy summer after being shut down for almost a quarter of the year. Let's not become complacent with taking all the precautions that are recommended to keep us all safe and working.

CITY TESTS

City tests are given in January, May and September on the third Saturday of the month.

ARTICLE X Safety

Per the Construction Agreement, Article X, Section 10 (a) (b) and section 10.08, you are required to Wear the government mandated & CDC recommended, face coverings and to wash your hands. Be respectful of the customers, as they are the ones who hire union.

RETIREES!

We are working on acknowledging deceased members. If you know someone you worked with or who's name you don't see on the list on our website, please let the Hall know. We would like to show them the respect they earned being a member of IBEW Local 325 by including each member.

Please provide at least one of the following pieces of information so that we can add them to the memorial.

Year of death

Month of death

Birth year

In Memory of:

Glenn Blanding
1937 - 2020
