My fellow members,

I'd like to take this opportunity to thank the brothers and sisters of Local 325 for the opportunity to serve as the new Membership Development Representative. The future is looking good for us and I am elated that I can play an integral part in our growth. The faith and support I have received from everyone has been very encouraging. I look forward to working with all of you to help make our membership the best we can be.

Fraternally,

**Walt Melzer**

Greetings Sisters and Brothers,

Covid restrictions have eased and many people are fully vaccinated. It was great to see members being able to get back out enjoying themselves at the IBEW Local 325 golf tournament. I had the pleasure of golfing with some of our retired members and had a fantastic day. Brother Walt Melzer was out on the course taking photos throughout the day.

I also had the pleasure of taking part in the Charlie Patton golf Memorial and being able to golf with two newly sworn in members as well as a fellow classmate of mine that I went through the apprenticeship program with. I look forward to the opportunity of spending time getting to know members at different events that we take part in. Please feel free to reach out if you have an interest in taking part and playing a round.

Fraternally yours,  
Kelvin
