

IBEW LOCAL 325 OCTOBER 2021

Greetings Brothers and Sisters,

I can't believe that the summer has flown by so quickly and the kids are back in school already. Which means the Local union blood drive will be upon us this month.

As you know or should know the union is more than just the business manager, the membership is the UNION. The business manager sets the tone and direction for the Local but needs involvement & support from the membership. Come to the regular union meetings that are held at 5:00 pm on the third Monday of every month, it is a good place to network and see how things are going with your sisters & brothers out there

As we adjust and learn to function with COVID we have been able to have the golf tournament, clambake, Barb Conklin Memorial golf tournament and the first ever 3D bow shoot that was held in August, and the 50th Long Island softball tournament survived COVID and a hurricane. We are keeping our fingers crossed and moving forward with the Dinner Dance in November. I urge you to get involved with the union in some form or another, volunteer to be on a committee or run for an elected position, be a substitute instructor for our apprentices that could lead into a full time instructor position. Let IBEW 325 stand strong and stand together for many years to come. Look after each other !

Fraternally yours, Kelvin

WE ARE HAVING A CHRISTMAS WHO-BILATION!

The Grinch and Santa will be hosting a Grinchmas party at the Hall and they would like to invite all the children to come and play games, do a craft and have some grinchy treats.

Bring the kids and get their picture with Santa and the Grinch.

Friday, December 3, 2021 @ 5:00pm

Please call Jessica at 607-729-6171 to sign up so we make sure we have enough Grinchmas punch and who-hash!

We hope to see you all there, don't miss out on all the fun at Whoville!

I urge you to consider getting Vaccinated. If not for yourself do it for those you love around you.

Kelvin
