### **To the members of IBEW 325, Kelly and I would like to say thank you:**

On January 1st, we decided to go for a morning run. We left our house at 8:40 am and we ran for about an hour. When I got back to my car I got a phone call from my neighbor that our house was on fire. The fire started in the basement, smoke spread throughout the house and destroyed everything. We lost everything and had nothing. Our friends and family quickly stepped up and helped.

To the IBEW 325 without your support, kind words and donations, this process would have been very difficult. The members helped in ways I would have never imagined. Your donations bought us new clothes, food and money towards household items to fill our apartment. We are very grateful to have you in our lives. Thank you all!!!
