

IBEW LOCAL 325

JUNE 2025

Greetings IBEW Local 325 Members !

I hope everyone that came out for our union golf tournament enjoyed themselves. I know I look forward to it every year no matter what the weather is! Don't forget our next event is the Rumble Ponies family picnic coming up Friday June 27th. Please call the hall to sign up if you plan on going as we need to give a head count. The fireworks at the end are always amazing, one of the best around.

Work has been good and we have critical shortage allowing retirees to return to work if they choose to do so. Any retiree that is interested in returning to work may call the hall and let me know. I hosted a Third District meeting at the hall with International Representatives and business Managers in attendance. They want me to thank the membership for the hospitality and providing lunch for the group.

We just had orientation for 11 new apprentices on the 27th and will be getting them out to work asap. There are many school projects and still more to bid. We have a big solar project that has been going on through the winter and another small one just starting in Apalachin and a big one that will start in Owego late summer or fall and go through the winter.

Remember be kind to one another!

Fraternally yours, Kelvin
