Did you know:

- The plan year for the pension, annuity, joint trust, and JATC funds runs from September 1st to August 31st. At the end of each plan year the funds are audited by an independent accounting firm. Once the audit is complete all year end statements are sent out to the membership. The date the statements are mailed out varies based on when the accountants are able to schedule the audit and complete the process. Typically the annuity, pension, insurance and hours statements go out by the end of November.
- **Death Benefit**– For all Apprentices and JW's there is a \$20,000 Death Benefit through the Joint Trust Fund. Your beneficiaries may also receive the value of your Pension and Annuity accounts. Please make sure your beneficiaries are always up to date with the Funds Office!
