

IBEW LOCAL 325

APRIL 2022

Meeting will be: April 18th @ 5:00pm

Greetings Sisters and Brothers,

I hope this Newsletter finds all of you well. It has been a busy month. I did not get a chance to write something for the March Newsletter. I would like to congratulate Don Radicchi and Joe Talbut tied for getting 2nd place at the Local 81 bowling tournament in the non-league division. We had a great time, 5 of us went down.

In February, I was in Newburg for the New York Labor Health Care Alliance board of Directors meeting. There are a lot of good things that come through the coalition meeting, healthcare vendors and getting group rates for services. Then there was Trustee Training in Orlando with the International Foundation of Employee Benefits. In the beginning of March, I was in Albany for the New York State Building Trades Legislative breakfast. It was a very busy morning and I had some very good conversations with a lot of different lawmakers. Also in March, I attended a Law Seminar hosted by Blitman & King and was updated on a lot of changes that have been made to laws and new laws dealing with the legalization of cannabis use.

Walt and I will be traveling to Washington DC on the 30th of March for the Construction and Maintenance Convention followed by the North American Building Trades Conference. I will have to leave that meeting early to drive back for a Trustee meeting on April 5th at the Union Hall. There are a number of huge solar projects coming to New York State that will take hundreds of IBEW Members to complete them should the projects be awarded to union contractors. There is not anything big workwise to report at this time within the Local. Material delays and project funding issues seemed to have put a damper on things here locally. There are open calls around the state and we do have members working out of town and getting their benefits paid. Take care of each other.

Fraternally, Kelvin

Rate increase, effective June 1, 2022, approved at the Special meeting held on March 25, 2022.

Journeyman/Wireman: increase of \$1.86 new rate: \$37.29
