

IBEW LOCAL 325

May 2025

Greetings IBEW Local 325 Members ,

Don't be left out of the **VOTE !** Every year the Business manager is required to reach out to the unregistered voters in their local. You may have already received a letter or email from me about the importance to register and make your voice heard in local and National elections. It really does matter and every vote counts! I have voter registration forms in my office and would be happy to help anyone interested in registering to vote by providing a form and answering any questions you may have . This year is also an election year for Local 325 Business Manager and officers. I encourage those interested in running for office to be at, and accept a nomination at the May 19th Regular Union Meeting if nominated. I wish everyone good luck who does accept a nomination. Work, wages, pension, annuity, and health & welfare are only a few of the issues that the people you elect to office can play a huge role in, either in a positive or negative way. Not just with internal IBEW officers but also in local and federal government.

All apprentices are back to work in Local 325. A big thank you to Local 81 Business manager for providing work for the apprentices that were off. Work is good with a very busy summer ahead of us, and we are putting book 2 people out to work at this time.

Remember, be kind to one another and respect the individuals right to vote!

Fraternally, Kelvin
